| Member | 25-Jun-2021 | Orient Umbrella | Other | After the Covid 19 pandemic is behind us, will we be looking at resuming physical AGM's or is virtual the way forward? | Following the uncertainties that have risen due to the Covid-19 pandemic and the restrictions in place, we have put measures to ensure that when necessary, we can legitimately hold the AGMs to avail unit holders with an opportunity to participate in the governing of the scheme. | 25-Jun-2021 02:00 |
| Member | 25-Jun-2021 | Orient Umbrella | Other | Kindly consider use of zoom or Microsoft teams as they provide the ability to easily interact with the presenters e.g. Easier to raise questions | The platform was created in response to the pandemic and Government and Regulator guidelines to facilitate business continuity. We anticipate that improvements will be made along the way. | 25-Jun-2021 02:00 |
